NAM TAI ELECTRONICS, INC. EXPANSION PROJECT UPDATE

SHENZHEN, PRC – July 2, 2012 – Nam Tai Electronics, Inc. (“Nam Tai” or the “Company”) (NYSE Symbol: NTE) today provided an update on its acquisition of land in Wuxi, Jiangsu Province of the PRC.

Nam Tai has recently entered into an agreement with the local governmental authorities in Wuxi to purchase a parcel of land of approximately 470,000 square feet for the expansion of its Wuxi manufacturing facility. On July 13, 2012, a stone-laying ceremony will be held for the construction of the facilities’ new sections.

For the expansion project in its Shenzhen manufacturing facility that involves the purchase of land in Guangming Hi-Tech Industrial Park, Shenzhen, PRC, although the Company fully paid for the land use rights for this land six years ago and additionally compensated farmers occupying the land, as of the date of this press release, Nam Tai is still undergoing the approval process and awaiting the release of the land by the local governmental authorities.

FORWARD-LOOKING STATEMENTS AND FACTORS THAT COULD CAUSE OUR SHARE PRICE TO DECLINE

The statements included in this press release, other than statements of historical fact, are forward-looking statements. Forward-looking statements generally can be identified by the use of forward-looking terminology such as “may”, “will”, “expect”, “intend”, “estimate”, “anticipate”, “plan”, “seek” or “believe”. These forward-looking statements, which are subject to risks, uncertainties, and assumptions, may include projections of our future financial performance based on our growth strategies and anticipated trends in our business. These statements are only predictions based on our current expectations about future events. There are important factors that could cause our actual results, level of activity, performance, or achievements to differ materially from the results, level of activities, performance, or achievements expressed or implied by the forward-looking statements, including, but not limited to, a deterioration of the markets for the Company’s customers’ products and the global economy as a whole, which could negatively impact the Company’s revenue and the ability of the Company’s customers to confirm prior orders or pay for the Company’s products; the sufficiency of the Company’s cash position and other sources of liquidity to operate its business; the negative effects of increased competition pressure on the Company’s revenues and margins; delay in the Company’s ability to take possession of land for development of additional production facilities, continued inflation and appreciation of the Renminbi against the US dollar; rising labor costs in China and changes in the labor supply and labor relations our ability to win additional

government business. In particular, you should consider the risks outlined under the heading “Risk Factors” in our most recent Annual Report on Form 20-F and in our Current Report filed from time to time on Form 6-K. Although we believe the expectations reflected in the forward-looking statements are reasonable, we cannot guarantee future results, level of activity, performance, or achievements. You should not rely upon forward-looking statements as predictions of future events. These forward-looking statements apply only as of the date of this press release; as such, they should not be unduly relied upon as circumstances change. Except as required by law, we are not obligated, and we undertake no obligation, to release publicly any revisions to these forward-looking statements that might reflect events or circumstance occurring after the date of this release or those that might reflect the occurrence of unanticipated events.
