**NAM TAI ELECTRONICS, INC. RECOGNIZED BY CUSTOMER
AS AN EXCELLENT QUALITY SUPPLIER**

SHENZHEN, PRC – November 19, 2012 – Nam Tai Electronics, Inc. (“Nam Tai” or the “Company”) (NYSE Symbol: NTE) today announced that it has received a Quality Supplier Award from its customer and their end buyer for smartphone product. The customer is a global leader in LCD technologies and is focused on small- and medium-sized displays for a range of applications from mobile devices and other consumer products to automotive electronics and industrial equipment, which chose to honor Nam Tai at an award ceremony held at the Company’s Shenzhen, China facility. This recognition coincides with the launch of Nam Tai’s production of high-resolution LCM for smartphones at the Company’s Shenzhen facility beginning in September 2012.

The award was presented to Nam Tai in recognition of its excellent manufacturing services and continuous quality improvement and distinguishes the Company as a world-class supplier within the customer’s supply chain.

“We are extremely honored and encouraged to have been recognized by our valued customer together with their end buyer,” said Mr. M.K. Koo, Executive Chairman and Chief Financial Officer of Nam Tai. “This recognition by our customer affirms our excellent teamwork and dedication as well as a relentless focus on quality and customer satisfaction, and represents a significant accomplishment for our Shenzhen operation.”

FORWARD-LOOKING STATEMENTS AND FACTORS THAT COULD CAUSE OUR SHARE PRICE TO DECLINE

Certain statements included in this press release, other than statements of historical fact, are forward-looking statements. Forward-looking statements generally can be identified by the use of forward-looking terminology such as “may”, “will”, “expect”, “intend”, “estimate”, “anticipate”, “plan”, “seek” or “believe”. These forward-looking statements, which are subject to risks, uncertainties, and assumptions, may include projections of our future financial performance based on our growth strategies and anticipated trends in our business. These statements are only predictions based on our current expectations about future events. There are important factors that could cause our actual results, level of activity, performance, or achievements to differ materially from the results, level of activities, performance, or achievements expressed or implied by the forward-looking statements, including, but not limited to, a deterioration of the markets for the Company’s customers’ products and the global economy as a whole, which could negatively impact the Company’s revenue and the ability of the Company’s customers to confirm prior orders or pay for the Company’s products; the financial resources and credit rating of Company’s customers under the current global recession; the effects that current credit and market conditions could have on the liquidity and financial condition of our customers and suppliers, including any impact on their ability to meet their contractual obligations; the sufficiency of the Company’s cash position and other sources of liquidity to operate its business; the negative effects of increased competition pressure on the Company’s revenues and margins; component quality or shortage, whether or not caused by customers change in specifications, delay in the Company’s ability to take possession of land for development of additional production facilities, continued inflation and appreciation of the Renminbi against the US dollar; rising labor costs in China and changes in the labor supply and labor relations our ability to win additional government business. In particular, you should consider the risks outlined under the heading “Risk Factors” in our most recent Annual Report on Form 20-F and in our Current Report filed from time to time on Form 6-K. Although we

believe the expectations reflected in the forward-looking statements are reasonable, we cannot guarantee future results, level of activity, performance, or achievements. You should not rely upon forward-looking statements as predictions of future events. These forward-looking statements apply only as of the date of this press release; as such, they should not be unduly relied upon as circumstances change. Except as required by law, we are not obligated, and we undertake no obligation, to release publicly any revisions to these forward-looking statements that might reflect events or circumstance occurring after the date of this release or those that might reflect the occurrence of unanticipated events.

ABOUT NAM TAI ELECTRONICS, INC.

We are an electronics manufacturing and design services provider to a select group of the world's leading OEMs of telecommunications, consumer electronic, medical and automotive products. Through our electronics manufacturing services operations, we manufacture electronic components and subassemblies, including LCD modules, FPC subassemblies and image-sensor modules and PCBAs.
