## **ABOUT NAM TAI PROPERTY INC.**

Upon the cessation of our LCM manufacturing business in April 2014, we formally transformed our core business from the EMS industry to property development and management. We currently focus our efforts on redeveloping two parcels of land in Gushu and Guangming, Shenzhen, China, by converting these two parcels of land into high-end commercial complexes. Subsequently, we believe our principal income in the future will be derived from the rental income from the commercial complexes.
