NAM TAI PROPERTY INC.**Shares Buy Back Announcement**

SHENZHEN, PRC – August 22, 2016 – Nam Tai Property Inc. (“Nam Tai” or the “Company”) (NYSE Symbol: NTP) today announced that due to still the low share price of the Company shares, its board of directors has approved a stock repurchase program to buy back to US\$50 million of its common stocks in the open market at prevailing market prices for the period of four weeks starting from September 3, 2016. The actual number of common stocks to be repurchased will depend upon market conditions and other factors, in accordance with Securities and Exchange Commission requirements. This repurchase program will be executed in accordance with SEC Rule 10b-18 and is expected to terminate on September 30, 2016.

FORWARD-LOOKING STATEMENTS AND FACTORS THAT COULD CAUSE OUR SHARE PRICE TO DECLINE

Certain statements included in this press release, other than statements of historical fact, are forward-looking statements. Forward-looking statements generally can be identified by the use of forward-looking terminology such as “may”, “will”, “expect”, “intend”, “estimate”, “anticipate”, “plan”, “seek” or “believe”. These forward-looking statements, which are subject to risks, uncertainties, and assumptions, may include projections of our future financial performance based on our growth strategies and anticipated trends in our business. These statements are only predictions based on our current expectations about future events. There are important factors that could cause our actual results, level of activity, performance, or achievements to differ materially from the results, level of activities, performance, or achievements expressed or implied by the forward-looking statements, including, but not limited to, delay in the Company’s ability to obtain all requisite permits and approvals from relevant government authorities in relation to the redevelopment of two parcels of properties in Gushu, Shenzhen, and Guangming, Shenzhen, respectively, and the successfully redevelopment of the two parcels of properties; the sufficiency of the Company’s cash position and other sources of liquidity to fund its property developments; continued inflation and appreciation of the Renminbi against the US dollar; rising labor costs in China and changes in the labor supply and labor relations. In particular, you should consider the risks outlined under the heading “Risk Factors” in our most recent Annual Report on Form 20-F and in our Current Report filed from time to time on Form 6-K. The Company’s decision to continue dividend payments in 2016 does not necessarily mean that dividend payments will continue thereafter. Whether future dividends will be declared depend upon the Company’s future growth and earnings, of which there can be no assurance, as well as the Company’s cash flow needs for further expansion. Accordingly, there can be no assurance that cash dividends on the Company’s ordinary shares will be declared beyond those declared for 2016, what amount that dividends may be or whether such dividends, once declared for a specific period, will continue for any future period, or at all. Although we believe the expectations reflected in the forward-looking statements are reasonable, we cannot guarantee future results, level of activity, performance, or achievements. You should not rely upon forward-looking statements as predictions of future events. These forward-looking statements apply only as of the date of this press release and; as such, they should not be unduly relied upon as circumstances change. Except as required by law, we are not obligated, and we undertake no obligation, to release publicly any revisions to these forward-looking statements that might reflect events or circumstance occurring after the date of this release or those that might reflect the occurrence of unanticipated events.

ABOUT NAM TAI PROPERTY INC.

We are a real estate developer. We hold two parcels of land located in Gushu and Guangming, Shenzhen, China. We are converting these two parcels of land that formally housed the manufacturing facilities of our prior businesses into high-end commercial complexes. We expect our principal income in the future will be derived from rental income from these commercial complexes.
