ABOUT NAM TAI ELECTRONICS, INC.

We are an electronics manufacturing and design services provider to a select group of the world’s leading OEMs of telecommunications, consumer electronic, medical and automotive products. Through our electronics manufacturing services operations, we manufacture electronic components and subassemblies, including LCD panels, LCD modules, FPC subassemblies and image-sensor modules and PCBAs for headsets containing Bluetooth® wireless technology.¹ These components are used in numerous electronic products, including mobile phones, laptop computers, digital cameras, electronic toys, handheld video game devices, and entertainment devices. We also manufacture finished products, including mobile phone accessories, home entertainment products and educational products. We assist our OEM customers in the design and development of their products and furnish full turnkey manufacturing services that utilize advanced manufacturing processes and production technologies.

¹ The Bluetooth® word mark and logos are owned by the Bluetooth SIG, Inc. and any use of such marks by Nam Tai is under license.
