ABOUT NAM TAI PROPERTY INC.

We are a property development and management company located in Shenzhen, China. Prior to becoming a property development and management company, we were an electronic manufacturing service company. In April 2014, we ceased our Liquid Crystal Module manufacturing business and turned our focus to re-developing two parcels of land in Gushu and Guangming, Shenzhen, China, by converting these two parcels of land that formally housed our manufacturing facilities into high-end commercial complexes. We believe our principal income in the future will be derived from rental income from our commercial complexes.
